

Ladies, it's the last hands-on class for the year
Our next clinic will be taught in a classroom
FREE WOMEN'S CAR CARE CLINIC
SATURDAY, OCTOBER 11TH 12 NOON - 2 PM

This class teaches women:

- *How to change a tire**
- *How to check and add fluids**
- *How to check and change fuses**
- *How to replace wiper blades**
- *How to jump a battery**

The goal of this hands-on class is to empower the participants with the confidence to perform light automotive maintenance. As well as to teach her the language she'll need to understand and communicate more effectively about her auto repair needs.

Dress comfortably and bring a friend. Space is available for the 1st 8-10 cars so come early & pull your car into our garage so you can work on your own vehicle!

Beverages & light snacks (fruit, crackers & cheese, chips and dip) will be served!
